

## GOLF AT LA ESTANCIA DE CAFAYATE

The breathtaking La Estancia Golf Course nestled in the picturesque Calchaqui Valley provides an incomparable world-class golf experience. This 72 par course, measuring 7600 yards from the back tees (located 1600meters above sea level), brings back the sheer joy of play in a spectacular natural vineyard setting. Renowned designer Bob Cupp has created a 'vintner's heath,' a world-class set of links that uses existing forms, native grasses, and other natural elements to create a course that seems to have always been there. The front nine plays west, into the vineyards; in the morning the sun is at one's back and the western mountains are lit with purples and grays. The back nine plays east, into the dunes, facing the reds and oranges of the eastern range ablaze in the setting sun.

This is more the way of  
*The Original Game.*
